Accessories available against surcharge

Alarm system (EMA) - complete set
(also available in single positions)

When installing the alarm system or single components, the safe is equipped with the bottom cover, which diminishes the safe space inside by 30 mm.

* due to the inner dimensions of the safes,
the full alarm installation is available from
model 428101.xx. In model 428100.xx -
the alarm elements are on request.
