Boltwork handle: metal knob, levelled with door
Mountin holes: 2 in the bottom and 2 in the back wall

Colour: RAL 7024 - dark gray, other colours on request

St. Gallen WF D series - a series of drawers for storing both hunting and sporting weapons. It may also be used for storing documents or keys.

The drawer is standardly lined with carpet to protect the stored weapons against scratches. In certain models in order to maximize the functionality and usage comfort - the drawer is equipped with foam weapon holders.

Each model includes hook bars, which can be installed in the drawer according to individual needs, in order to organize stored keys.

The dimensions of the drawer are adjusted in a way they can be stored under beds or in furniture. Levelled metal knob and grips do not occupy additional space.

Perforation on the inside of the door in models 564152.xx - 564154.xx enables hanging convenient and functional boxes, which may serve to unclutter the space in the drawer. They may store the boxes with ammo as well as some small items of everyday use.

Hanging boxes are the option against surcharge - ordered individually by a customer.
